Dear Voter:

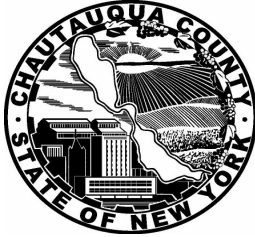

The goal of the Chautauqua County Board of Elections is to provide you with a Municipal Directory that gives you, the voter, an opportunity to communicate with our local officials. We have worked with the County Legislature, the County Executive, and the Judicial Department, along with local towns, villages, and schools to bring you a comprehensive list of officials.

We are providing this directory electronically for your convenience.. We will make every attempt to keep this information up to date at all times. We strongly encourage every citizen to also view our website for historical election data, absentee ballot applications, registration forms, and review our new voting system requirements.

We hope that the Chautauqua County Municipal Directory is an effective tool that will help you find the information you are seeking. We provide this service to enhance the relationship between government services and the community.

Dear Friends:

This Chautauqua County Directory has been an essential tool in my work as your County Executive. On the numerous occasions that I've had to contact a Federal, State or Local official, this guide has provided me with the information I've needed.

I believe most elected officials share my commitment to open and direct communication with those that we serve. I encourage you to contact me or any other official in the Directory to ask for help, direction, or information.

I also encourage you to sign up for my Monday Morning Memo, which is another invaluable source of information. You can sign up for the memo at Chautauqua County's website; www.co.chautauqua.ny.us.

Sincerely,

Gregory J. Edwards
Chautauqua County Executive

Dear Chautauqua County Residents:

I hope you find this directory to be as useful as I have. It contains all municipal officials, from your state representatives to your local school officials. As officials, we need to stay in touch with you, the public, and we need you to stay in touch with us. Also listed in this directory are county office numbers so that you can quickly find and reach any department in Chautauqua County government in the Mayville, Dunkirk, Fredonia, Jamestown or Sherman areas.

As you use this directory, please feel free give us any suggestions to improve any part of it, either to make it more convenient for you or further information that you would like added.

Very truly yours,
Fred Crocut
Chairman of the Legislature
