

Chautauqua County Bicentennial 1811 - 2011

Bicentennial Post Office Cancel to Expire Soon!

To celebrate the Chautauqua County Bicentennial, residents are encouraged to visit each of the county's 37 post offices to receive a commemorative cancel, unique to that location. Visitors are encouraged to stop by any office with any letters, postcards or books adorned with a first class stamp, and request the special cancel. The cancel includes the county seal and the wording "Chautauqua County Bicentennial 1811-2011." Each cancel has the post office name and zip code to distinguish it. They are sure to become collectors' items. ***The cancel stamps will only be available until June 9.***

"It is wonderful that each post office chose to participate in this unique opportunity. The Bicentennial cancels are a great way to commemorate the post offices in the county during our 200th year" stated Michelle Henry, County Historian.
